Dear Supervisors:

**APPROVAL TO TERMINATE THE PUBLIC HEALTH LABORATORY
SPECIMEN TRANSPORTATION SERVICES AGREEMENT WITH
NOW MEDICAL SERVICES (COUNTY AGREEMENT NO. H-212732)
(All Districts) (3 Votes)**

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Director of Health Services, or his designee, to terminate for convenience the Public Health Laboratory Specimen Transportation Services Agreement with NOW Medical Services (County Agreement No. H-212732), effective August 31, 2006, at no net County cost.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS:

In approving this action, the Board is authorizing the Director of Health Services, or his designee, to notify and issue a 60 calendar day advance written notice, substantially similar to Exhibit I, informing NOW Medical Services of the County's intent to terminate their Public Health Laboratory Specimen Transportation Services Agreement (County Agreement No. H-212732), effective August 31, 2006.

The Agreement permits the County to cancel or terminate this Agreement at any time, for any reason, during the month-to-month Agreement term, beginning January 1, 2005, by giving a 60 calendar day written notice to the Contractor of such cancellation or termination. The cancellation or termination date must be on the last day of a calendar month. The termination will be effective August 31, 2006.

FISCAL IMPACT/FINANCING:

This action has no fiscal impact. Funds budgeted for NOW Medical Services laboratory specimen transportation services will be shifted internally to the Department of Health Services' (DHS) other laboratory specimen transportation service provider, California Courier Services (County Contract No. H-212732).

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The current agreement term for NOW expires December 31, 2006. There is one other contract courier services provider for DHS, California Courier Services, that has agreed to take on the services previously provided by NOW Medical Services.
